

TECHNICAL RIDER MITJA & DANIEL MES

WHAT WE NEED:

- * A table with the dimensions: 1,50 m x 0,80 m. Height min. 0,90 m.
--> If less space is available, 1 laptop stand is needed.
--> If no table available we need a stable keystack.
- * One mic-stand for the shure sm58 mic.
- * Stereo line-in (right/left).
- * 30 minutes to set up, (incl. soundcheck).
- * Two monitor boxes with the opportunity to manage the volume by ourselves.
- * 220 Volts socket with 3 slots.
